The third Part Appendices 1–6, provides details of rules and Guidelines required for Class Promoter events.

No expressed or implied warranty of safety shall result from publications of, or compliance with these rules and/or regulations. They are intended as a guide for the conduct of the sport and are in no way a guarantee against injury or death to participants, spectators, or others.

The racing rules are revised and published every year by the World Professional Powerboating Association (WPPA), **the world governing body for the sport.**

This edition becomes effective on **April, 2009 and supersedes all previous editions.** Any changes determined to be urgent during the season will be announced through national authorities and Class Promoter and posted on the WPPA website www.thewppa.com

WPPA Anti-Doping Code is referred to in the General Application Rule (Rule 08 Part 1) but is not included in this book because it can be changed at any time. New version will be announced through national authorities and Class Promoter and posted on the WPPA website.
